

We believe:

1. The Bible to be the inspired, infallible, authoritative Word of God.
2. There is one God, eternally existent in three persons: the Father, the Son, and the Holy Spirit.
3. In the deity of our Lord Jesus Christ, in His virgin birth, sinless life, miracles, and vicarious and atoning death through His shed blood, in His resurrection and ascension to the right hand of the Father, and in His personal return in power and glory.
4. Regeneration by the Holy Spirit is absolutely necessary for the salvation of lost and sinful men.
5. In the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a Godly life.
6. In the resurrection of both the saved and the lost: they that are saved unto the resurrection of life, and they that are lost unto the resurrection of eternal damnation.
7. In the spiritual unity of all believers in our Lord Jesus Christ.

History of the School

U.S. International Christian Academy is based on the concept that “God is the source of all life, truth, and knowledge. Therefore, true learning begins by knowing God”.

U.S. International Christian Academy was created out of the need to provide students an opportunity to graduate from high school after failed attempts and not being able to complete high school for reasons such as:

- a) Not being able to pass the Florida Standard Assessment Test/FLDOE
- b) Economic and family needs that caused them to drop out of school, and
- c) Joining the work force and having the need to complete school.

U.S. International Christian Academy was founded by educators and pillars of the community whose primary goals in life are to educate and help their community.

U. S. International Christian Academy was opened in 2001 and has been very successful providing young people opportunities to obtain a high school and pursue a college education.

The curriculum follows the Abeka Curriculum for high schools as well as Apologia Christian Home School Curriculum.

All students follow the same curriculum. Students that demonstrate difficulties achieving the course objectives are required to come to have for individualized tutoring or assistance.

The school offers a well-rounded curriculum based on the high school

School Vision Statement

U.S. International Christian Academy’s mission is to inspire and equip every student to become a life-long learner and positive contributor to society through high expectations and excellent academics, engaged and individualized instruction and supportive community.

Mission Statement

The mission U.S. International Christian Academy is to provide an educational environment that promotes academic excellence, leadership, critical thinking, analytical skills, and intellectual and spiritual development to a diverse community of young men and women, presently predominantly high risk students.

Educational Philosophy

U.S. International Christian Academy’s educational philosophy consists on providing an approved curriculum in a faith-based structure. Our focus, goals, and objectives are to educate and give high school students a solid foundation during the important formative years preparing them for young adulthood, higher education, and life. Our team of committed teachers, professional staff, and administrators closely guide, mentor, educate, and support students, individually meeting their unique and specific needs.

Emphasis on Spiritual Development

We are committed to education grounded in Christian principals, and we focus on supporting and strengthening the Christian Faith of our students, Faculty and families.

Christian Values

Students are expected to conduct themselves in a moral and Christian like manner, and are required to adhere to our high standards and refrain from the following: Insubordination, lack of respect, or insolence, any action involving pornography, Demonstrate anti-Christian ethics, Inappropriate behavior or language, Threatening or intimidation of others, Verbal abuse of others.

Curriculum

U.S. International Christian Academy utilizes the Abeka curriculum and Apologia Christian Books. Abeka is a thoroughly Christian, traditional program that emphasizes biblical character building through their rigorous textbooks from Christian beliefs.

All students follow the same curriculum. Students that demonstrate difficulties achieving the course objectives are required to come to have for individualized tutoring or assistance.

Students earn credits per each course completed with a "C" and above. Each course is equivalent to one (1) credit. The students need 24 credits to complete the high school program. This policy is published in the School Handbook and in the Parent-Student Handbook.

A plan of action is prepared for each student ensuring that all standards for graduation are met and all courses missing or needed for graduation are completed. The students are scheduled 6 courses (2 semesters). Extended time is provided for completion of each course if the need arises, but there is a time limit of an additional 6 months or the student will receive an “F” for that course.

The goals and the objectives for each subject are aligned with the content and materials offered in the selected textbook.

The courses follow the Abeka Curriculum and Apologia Christian Home School Curriculum objectives and the textbooks from Christian Books correlate with the standards and objectives. The mission and goals of the school aim to assist the students to complete high school, thus by following the required State standards, the students will earn a high school diploma that is compatible with the state’s demands and requirements.
