U.S. International Christian Academy is based on the concept that "God is the source of all life, truth, and knowledge. Therefore, true learning begins by knowing God".

Community Services

<http://www.usicahs.org/Community-Services.html>

Participating in community service provides students the opportunity to apply their knowledge, communication and leadership skills. Social responsibility is practiced and instilled while gaining valuable personal experiences. All students are required to complete 50 hours of service to his/her community during their academic program. Students can serve at any non-profit organization, to include hospitals, churches, and / or library facilities. All of our students are highly encouraged to become involved in the community.

"Everybody can be great because everybody can serve." The words of Dr. Martin Luther King, Jr. still hold true today. At U.S International Christian Academy, we desire greatness for each student, and firmly believe that good avenue to achieve greatness is through Christian service and community service. Participating in community service provides students to apply their knowledge, communication and leadership skills. Social responsibility is practiced and instilled while gaining valuable personal experiences.
